Section 1 Registrant's Business and Operations**Item 1.01 Entry into a Material Definitive Agreement.**

On April 17, 2020, Limoneira Company (the "Company") entered into a Promissory Note with City National Bank, which provides for a loan in the amount of \$3,609,200 (the "PPP Loan") pursuant to the Paycheck Protection Program under the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"). The PPP Loan has a two-year term and bears interest at a rate of 1.0% per annum. Monthly principal and interest payments are deferred for six months after the date of disbursement. The PPP Loan may be prepaid at any time prior to maturity with no prepayment penalties. The Promissory Note contains events of default and other provisions customary for a loan of this type. The Paycheck Protection Program provides that the PPP Loan may be partially or wholly forgiven if the funds are used for certain qualifying expenses as described in the CARES Act. The Company intends to use the entire PPP Loan amount for qualifying expenses and to apply for forgiveness of the loan in accordance with the terms of the CARES Act.

Section 2 Financial Information**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information set forth above under Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.

Section 7 Regulation FD**Item 7.01 Regulation FD Disclosure**

The coronavirus disease 2019 ("COVID-19") pandemic has had an adverse impact on the industries and markets in which the Company conducts business. In particular, the United States lemon market has seen a significant decline in volume, with lemon demand falling more than 50% since wide spread shelter in place orders were issued in mid-March, resulting in a significant market oversupply. The export market for fresh product has also significantly declined due to COVID-19 impacts. These market and industries pressures are causing, and are likely to continue to cause, adverse impacts on our business, financial position and liquidity. The proceeds from the PPP Loan described in Item 1.01 above will be used for certain qualifying payroll costs under the CARES Act and, as a result of receiving the PPP Loan, the Company expects to be able to retain 100% of its workforce.
